Hellenic Republic – Republic of Greece, the largest country in the Balkans, is nestled in the extreme southeast of Europe, in the south of the Balkan Peninsula, at the crossroads between Europe, the Middle East and North Africa. The Aegean Sea in the east, the Ionian Sea in the west and the Mediterranean Sea in the south, wash over its rugged coasts and numerous islands. It is one of the oldest civilizations in the world, with an unusually rich history because it was a suitable place for the development of many cultures that marked the stages of its development and existence.
