The Republic of Bulgaria, a hidden gem of the Balkans, is known for its rich history, warm-hearted people, and diverse natural landscapes – from the shores of the Black Sea and the fertile plains of the Maritsa River to towering mountain ranges. Bansko, located in the southwest of the country, is a perfect example of how one destination can combine authenticity and modern comfort, tradition and active leisure.

Just a few hours from Serbia, a three-day adventure awaits, where every team member has the chance to connect, express themselves, and rediscover new energy – whether through shared activities like rafting, exploring the old town and Rila Monastery, or relaxing in the spa and enjoying dinners accompanied by music that soothes and unites.

Bansko is much more than a destination – it is an experience that builds trust, strengthens collaboration, and reminds us of the importance of pausing, breathing in the mountain air, and sharing moments that last a lifetime.
