Wild, wild West *Between Stone and Sea*

Montenegro – a land where towering peaks meet the sea, where ancient towns rest beneath stone fortresses, and where nature still writes its own wild poetry. Though small in size, this Balkan jewel offers an astonishing variety of landscapes: dramatic mountains, deep canyons, glacial lakes, endless forests, and a coastline that whispers stories from centuries past.

In just a few days, one can cross paths with both raw wilderness and cultural heritage, with silence and adrenaline, with stillness and movement. Montenegro is a country where contrasts don't clash – they blend, creating a rare harmony that stays with every traveler long after the journey ends.

From the rugged heights of Durmitor and the mystique of Nevidio Canyon, through the vast plateaus around Žabljak and the royal echoes of Cetinje, all the way down to the timeless charm of the Bay of Kotor and the hidden world of Škurda Canyon – every corner tells a different tale, shaped by time, water, and stone.

This six-day adventure is not just a route through space, but through sensation. It's about feeling the cool air at high altitudes, the pulse of rivers hidden in gorges, the warmth of stone towns bathed in evening light. It's about discovery – of nature, of stories, and perhaps, of something within ourselves. Perfect for those who seek authenticity, beauty, and a sense of freedom, this experience offers more than a checklist of places – it offers connection. With the land. With the moment. With adventure.

ITINERARY

DAY 1: ARRIVAL – INTO THE HEART OF THE MOUNTAINS

Podgorica – Đurđevića Tara Bridge – Durmitor National Park – Žabljak

Driving distance: 130 km

Group meets at the Podgorica (or nearby) airport. We begin our adventure with a scenic transfer toward the **Đurđevića Tara Bridge**, one of Montenegro's most iconic landmarks, offering spectacular views over the deepest canyon in Europe.

Optional: Soar over the Tara Canyon on a zip line – a thrilling introduction to Montenegro's wild side (depending on arrival times).

Afterward, we head toward **Žabljak**, a charming mountain town nestled in the heart of **Durmitor National Park**. Upon arrival, we check in at our local lodges and enjoy a relaxed evening at leisure. Dinner. Overnight stay.

DAY 2: SUMMIT DAY – BOBOTOV KUK ASCENT

Durmitor NP – Žabljak – Sedlo Pass – Bobotov Kuk 2523m – Žabljak

Driving distance: 30 min; Hiking distance: 11 km; Elevation: 616m;

Hiking duration with breaks: 7 hours.

After breakfast, transfer to Sedlo Pass (1907 m). We begin our ascent to **Bobotov Kuk** (2523 m), the highest peak of Durmitor, following the Uvita Ridge, Zeleni Vir, and Velika Previja paths. The final section is exposed, secured with cables, and requires great caution.

From the summit, you'll be rewarded with breathtaking views of surrounding peaks and distant mountain ranges. Depending on the group, the hike typically lasts around 7 hours. After some time at the top, we descend along the same trail we came. Transfer to **Žabljak** for dinner and overnight stay.

Optional: For well-prepared groups, a circular route is available, starting from Sedlo Pass, traversing the heart of Durmitor, and descending via Black Lake (Crno Jezero). This route is more challenging but offers a more scenic experience.

DAY 3: CANYON TO COAST – FROM NEVIDIO TO KOTOR

Durmitor NP – Nevidio Canyon – Kotor

Driving distance: 230 km

After breakfast, we set out early for the unforgettable **Nevidio Canyon**, a place where water and rock have carved a narrow passage of stunning natural beauty. For approximately 4 to 5 hours, we'll wade, climb, and slide through this 2-kilometer-long gorge, filled with vertical walls, waterfalls, and deep pools.

After exiting the canyon, we take a 30-minute walk back to our vehicles. We enjoy a well-earned lunch before continuing toward the coast.

Arriving in the **Bay of Kotor**, we check in at our accommodation for dinner and relaxation. Overnight stay.

DAY 4: KAYAKING THE HIDDEN CORNERS OF THE BAY OF KOTOR

Bay of Kotor – Luštica Kayak Adventure

Driving distance: 50 km; Kayaking: 5 hours

A full day of exploration on water begins after breakfast, as we paddle through the serene waters of the **Bay of Kotor**, starting from beautiful Mirište Cove. The route takes us past historical landmarks like Arza Fortress, Vavedenje Monastery on Mali Žanjic, and the intriguing Mamula Fortress on Lastavica Island.

We continue on to Vučja Cove and the mystical Blue Cave, whose vibrant reflections offer one of the most memorable moments of the tour. Lunch will be provided in the form of a "lunch packet" to enjoy during the tour. After the kayak adventure, we return to our accommodation.

In the evening, we enjoy a guided walk through the cobbled streets of **Kotor's Old Town**, a UNESCO World Heritage gem. Overnight stay.

DAY 5: INTO THE DEPTHS – ŠKURDA CANYON ADVENTURE

Kotor – Krstaš Pass – Škurda Canyon – Kotor

Driving distance: 25 km

After breakfast, we head to Krstaš Pass, above Kotor, where our canyoning adventure through the stunning **Škurda Canyon** begins. Known for its vertical walls, the canyon features numerous cascades, pools, and 24 waterfalls ranging from 3 meters to 42 meters in height, making it one of the most beautiful and challenging vertical canyons in the region.

The passage through the canyon typically takes 6 to 8 hours, depending on the group's physical fitness. We'll take a well-deserved lunch break in nature. The adventure ends dramatically at the foot of Kotor's Old Town, offering a symbolic transition from raw nature back into civilization.

We return to our accommodation for dinner and overnight stay.

DAY 6: FAREWELL MONTENEGRO

Kotor – Cetinje – Podgorica

Driving distance: 90 km

After breakfast, we begin our journey toward Podgorica. On the way, we stop for a brief visit to **Cetinje**, the old royal capital of Montenegro, where we can take a short break and explore the historical sites.

We continue the drive to **Podgorica** and, depending on your flight schedule, you might have some free time before your departure. Transfer to Podgorica (or nearby) airport. End of the program.

FREQUENTLY ASKED QUESTIONS (FAQ)

What's the best way to get to Montenegro?

The tour starts and ends in Podgorica. While the standard tour starts and ends in Podgorica, with airport transfers to and from Podgorica International Airport included, we can also arrange the same tour starting from nearby airports such as Tivat, Dubrovnik, or Tirana – depending on your travel preferences.

What is the physical fitness level required for this tour?

This program is designed for active individuals with a moderate to high level of physical fitness. Activities such as mountain hiking, canyoning, and kayaking require stamina, balance, and comfort with outdoor environments. Previous experience is helpful, but not always necessary — our professional guides will provide all instructions and support.

Do I need prior experience in canyoning, kayaking, or mountaineering?

Not necessarily. While prior experience is an advantage, the tour is guided by certified professionals who will give you the necessary training and support on-site. However, a good physical condition and comfort in water and heights are essential.

What should I pack for this trip?

We recommend comfortable and layered outdoor clothing, hiking shoes, swimwear, sun protection (hat, sunglasses, sunscreen), a reusable water bottle, a small backpack for daily activities, and personal hygiene items. All technical equipment (helmets, harnesses, life jackets, wetsuits, etc.) for kayaking, canyoning, and hiking will be provided by us. All participants will receive a detailed packing list before the trip.

Do you have solo travellers on your tours?

Solo travellers are very welcome on our tours and often join to meet and explore with like-minded adventurers—many of whom go on to form lasting friendships. We aim to create a relaxed and sociable atmosphere that helps the group connect throughout the journey.

Solo travellers will be paired with another solo traveller of the same gender, or may opt for a private room by paying a single supplement. If you would prefer a room to yourself, please let us know in advance and we'll do our best to accommodate your request. Please note that an additional fee may apply for single occupancy.

Are meals included in the price?

Yes. The price includes five half-board meals (breakfast and dinner), as well as a lunch pack during the kayak tour. Additional meals (lunches, snacks, drinks) are at your own expense, unless otherwise stated in the itinerary.

Is travel insurance required?

Yes. All participants are required to have international health insurance with additional coverage for extreme sports (mountaineering, canyoning, kayaking). This is important for your own safety and peace of mind.

How many people will be in the group?

Group sizes typically range from 6 to 12 participants. We keep our groups small to ensure a personal experience, better safety, and more direct interaction with guides and nature.

Is the zip line over Tara Canyon included?

The zip line activity on Day 1 is optional and not included in the tour price. If arrival times allow, you'll be able to participate at an additional cost of approximately 20 EUR per person.

Will I have access to phone signal or internet during the tour?

Most areas we visit have mobile signal, but there may be occasional short-term outages in remote mountainous or canyon areas. Wi-Fi is available at most accommodations.

Is the itinerary flexible?

While we aim to follow the planned program, the itinerary may be adjusted due to weather conditions or the group's overall condition. Any changes will be communicated in advance and made with safety in mind.

What happens in case of bad weather?

Your safety is our top priority. In case of unfavorable weather conditions such as unmelted snow, heavy rain, strong winds, or storms, certain activities, especially summit hikes, may become unsafe. This is particularly true for the ascent to Bobotov Kuk. The guide will assess the situation and, if needed, adjust the itinerary. In such cases, we will either hike as far as conditions allow or offer a safer alternative route (such as Savin Kuk – 2313 m).

Can dietary restrictions be accommodated?

Yes, please inform us in advance if you have any dietary restrictions (vegetarian, gluten-free, allergies, etc.), and we will do our best to accommodate your needs.

How much cash should I bring?

While most places accept cards, it's good to have some cash (EUR) for snacks, souvenirs, or tips. Optional activities (like the zip line) and personal expenses are not included in the tour price.

Do I need to tip?

Tips are a common reward for service staff in the Balkan countries. For a restaurant meal, you can tip around 10-15% if tip is not included in the bill. Your tour guide and driver will be especially appreciative and honored with this kind of traditional gratitude at the end of your tour.

We are committed to ensuring that your experience is unforgettable, safe, and filled with adventure. Our goal is to provide you with the opportunity to explore some of the most beautiful and remote areas of Montenegro while embracing its diverse landscapes and rich culture. Should you have any further questions or concerns, don't hesitate to contact us – we're here to help!
