TOUR PLAN

Hidden at the foothills of Kukavica Mountain, the Vučjanka River Canyon offers one of the most authentic canyoning experiences in Serbia. Over just two kilometers, the river descends nearly 300 meters, forming a dramatic sequence of waterfalls, narrow passages, and crystal-clear pools.

Guided by experienced local canyoning guides and equipped with full technical gear, participants rappel down waterfalls, swim through emerald pools, and navigate sculpted rock formations. The highlight of the route is the famous Đoka's Pools — deep turquoise basins hidden within the canyon walls.

This full-day adventure is suitable for adventurous beginners as well as experienced canyoners. No prior canyoning experience is required — only basic fitness and a sense of adventure.

Price per person: _____ € (in RSD equivalent)
